Check in for your appointment through your Connect account

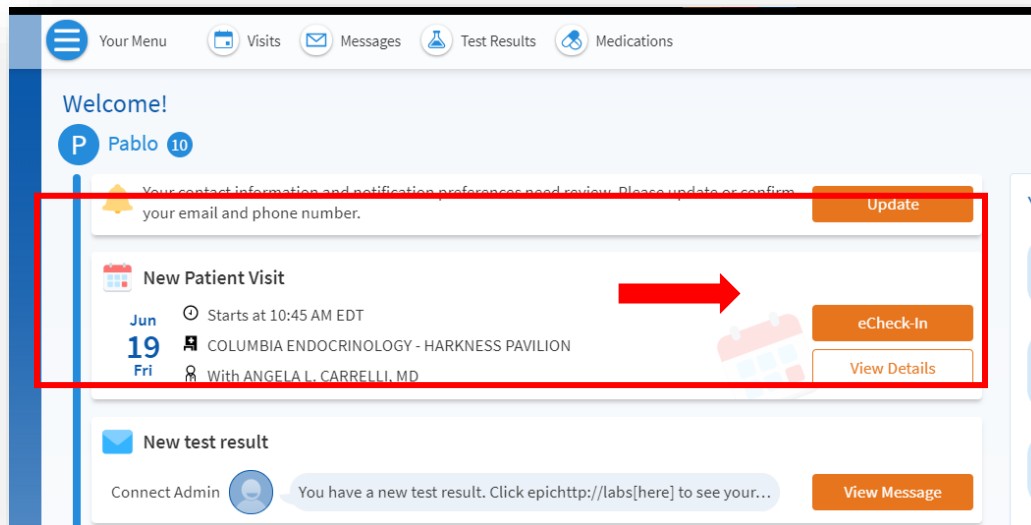

You'll save time on the day of your visit and can review your information on a computer or mobile device from the comfort and safety of your home, office, or anywhere you choose. You'll receive an email reminder to complete eCheck-In ahead of your visit.

During eCheck-In, you'll be asked to:

- Review or update personal information, including insurance coverage
- Review or update your medications, allergies, and current health issues
- Complete appointment-related forms
- Pay visit copay, if needed
- Pay pre-payments and remaining balances, if needed

Use the steps below as a guide to complete the process.

1. Log into your Connect account. On the Welcome page, you can click on the prompt to view details for your upcoming appointment.
2. Click the **eCheck-In** button. **Note:** *this prompt is available up to five days before your appointment.*

3. Review your personal information. Click the **Edit** buttons to update any of the information.

Verify Your Personal Information

Please review the personal information that we have on file. If your contact or personal information has changed or is incorrect, please edit the appropriate card and then click **Save Changes** to make updates. When the card is updated, select the 'This information is correct' checkbox and click the **NEXT** button.

- Based on the reason for your appointment, you may be asked to complete a specialty-specific form (see an example CT Scan Safety Questionnaire below).

The screenshot shows the 'eCheck-In' interface with a progress bar at the top containing icons for Personal Info, Questionnaires, Insurance, Medications, Allergies, Health Issues, and Sign Documents. The 'Questionnaires' step is highlighted. Below the progress bar, the title 'CT Scan Safety Questionnaire' is displayed. The text reads: 'For an upcoming appointment with Ethel Siris, MD on 5/20/2020. Please respond to each question or statement below.' The first question is 'Do you have an allergy to Latex?' with 'Yes' and 'No' buttons. The second question is 'Do you have an allergy to Iodine?' with 'Yes' and 'No' buttons.

- Complete the COVID Symptoms Screening. *If you do develop any of these symptoms before your appointment, you must call the office **BEFORE** you come in. Please note that this form is only available 2 days ahead of your appointment.*

The screenshot shows the 'eCheck-In' interface with a progress bar at the top containing icons for Personal Info, Questionnaires, Insurance, Medications, Allergies, Health Issues, and Sign Documents. The 'Questionnaires' step is highlighted. Below the progress bar, the title 'Pre-Visit COVID Symptoms Screening' is displayed. The text reads: 'For an upcoming appointment with Ethel Siris, MD on 5/20/2020'. A note states: '* Indicates a required field.' The first question is '* Do you currently have any of the following symptoms: Cough, Fever, Shortness of Breath, Sore Throat, Diarrhea, Change in Taste or Smell?' with 'Yes' and 'No' buttons. The second question is '* If you were recently diagnosed with COVID, have you had any of the above symptoms in the past 10 days?' with 'Yes' and 'No' buttons. At the bottom, there are three buttons: 'CONTINUE' (orange), 'FINISH LATER' (orange), and 'CANCEL' (red).

7. Review your insurance coverage on file. If you do not have any insurance on file or your coverage has changed, add a coverage.

eCheck-In

Personal Info | Questionnaires | **Insurance** | Medications | Allergies | Health Issues

Please review the insurance information that we have on file. If the information is incorrect, click on the Update coverage or Remove coverage links to request updates. Click on the ADD A COVERAGE section to add additional coverage(s). Note that adding an insurance here does not guarantee that the provider accepts the insurance. Contact the practice if you are unsure whether your insurance will be accepted. Any updates will be sent to the practice for review before adding it as an Active Coverage. When the section is updated, select the 'This information is correct' checkbox and click the NEXT button.

Insurance on File

You have no insurance on file.

9. Review and update your current medications list.

The screenshot shows the 'eCheck-In' interface with a navigation bar containing 'Personal Info', 'Questionnaires', 'Insurance', 'Medications', 'Allergies', and 'Health Issues'. The 'Medications' section is active. Below the navigation bar, there is a heading 'Current Medications' followed by a paragraph of instructions. Two medication cards are displayed: 'aspirin 0.3 Capsule' and 'Crestor 20 MG Tablet'. Each card includes a 'Remove' button and a 'Learn more' link. At the bottom, there is a dashed box with a '+ ADD A MEDICATION' button.

10. Review and update your current preferred pharmacies on file.

The screenshot shows the 'List of all Your Preferred Pharmacies' section. It includes a heading, a paragraph of instructions, and a message stating 'You have no pharmacies on file.' with a '+ Add a pharmacy' button.

11. Review and update your current allergies.

The screenshot shows the 'eCheck-In' interface with the 'Allergies' section active. Below the navigation bar, there is a heading 'Current Allergies' followed by a paragraph of instructions. Three allergy cards are displayed: 'Penicillins', 'Sulfamethoxazole-Trimethoprim', and 'No Known Allergies'. Each card includes a 'Remove' button, a 'Learn more' link, and a date added. At the bottom, there is a dashed box with a '+ ADD AN ALLERGY' button.
